

Get Connected with the Central Borders Group

There are several ways you can keep up to date with events and wildlife news in the Central Borders.

Make sure you are **fully subscribed** and ready to receive our group's email newsletters so that you don't miss out. This is especially important at the moment as most of our events will be online presentations rather than live meetings. Just go to the website www.scottishwildlifetrust.org.uk, click on the **Subscribe Now** button at the bottom of the homepage and then fill in your details, **remembering to tick 'yes' to receive information from your local group.**

You can also update your email address and contact consents by getting in touch with the membership team directly on membership@scottishwildlifetrust.org.uk

Find us on Facebook at

ScottishWildlifeTrustCentralBorders](https://www.facebook.com/ScottishWildlifeTrustCentralBorders)

*(you don't need to be a member
of Facebook to read the posts)*

Or why not visit one of our reserves:

Bemersyde Moss near St Boswells

Hare and Dunhogg Moss near Selkirk

Gordon Moss near Gordon

Whitlaw Woods near Hawick

You can find out more about each of the reserves,
including how to get there, on our website:
