

PUBLIC NOTICE

Temporary Closure of Paths at Corehouse Estate

For a period of 11 weeks starting on **21 August 2017** and finishing on **10 November 2017**, some sections of the public path network at Corehouse Estate will be temporarily closed to allow tree felling works associated with woodland restructuring to proceed safely. You are advised that during this period machinery will be operating at various locations. For your own safety and that of the contractor's staff you are requested to avoid using the sections of route highlighted on the accompanying plan. South Lanarkshire Council have agreed to these temporary closures on grounds of health and safety

For all enquiries please contact the Forest Manager:

Sam Booth – 01434 602191 / samuel.booth@egger.com

We apologise for any inconvenience caused during this period and thank you for your co-operation.
