

Jupiter's BioBlitz!

Saturday 14th July, 10.00am – 12pm, 2.00pm – 4.00pm

Be part of Jupiter's scientific expedition and join the race to find as much wildlife as possible! Suitable for all ages.

X marks the spot

Wednesday 18th July, 2.00 – 4.00pm

Test your map reading skills to find and solve the clues in Jupiter's awesome orienteering challenge. Drop in anytime between 2 and 4pm. Suitable for ages 5 and up.

Butterflies are brilliant!

Saturday 21st July, 2.00 – 4.00pm

Did you know that butterflies can taste with their feet? Come learn about these fascinating insects and help us count them as part of the big butterfly count 2018. Suitable for ages 5 – 12.

The world in miniature

Wednesday 25th July, 2.00 – 4.00pm

Zoom in and explore the hidden world beneath your feet! What does it feel like to be a minibeast? See Jupiter in tiny detail. This event is for ages 5 – 10.

Jupiter's great Wildflower hunt

Wednesday 8th August, 2.00 – 4.00pm

Join us for a wildflower discovery! Plantlife will be joining us at Jupiter for a walk around the reserve looking at all the wildflowers. This event is for ages 5-12.

Carron Dams – another dam fine day out

Sunday 19th August, 2.00 – 4.00pm

Family fun at Carron Dams Local Nature Reserve. Come and join in with fun activities on offer at Carron Dams. Parking available at Larbert High School. No booking required, contact details 01324 504950.

Soaring dragons and surprising damsels!

Saturday 25th August, 2.00 – 4.00pm

Jupiter is home to a variety of dragonfly and damselfly species over the summer. Learn more about these wonderful insects and how to identify them. This event is for ages 5-12.
