

Rabbit or Hare?

Instructions!

1. Match each statement to one or more of these 'lagomorphs' (the group name for hares and rabbits).
2. Some will apply to only one, but some might apply to two or more!
3. Once you have matched them all up, you can check the answers to see how you did!

I'm native to Scotland

I live in a warren
(underground burrow)

My young are called
kit

My young are called
leveret

I have the largest ears

I'm most active at
dawn, dusk and night

I am a vegetarian

My coat becomes
white in the winter
(for camouflage)

Rabbit

Brown Hare

Mountain Hare
