<b>Objective(s) of your volunteer role</b>
<p>SSRS has been working locally with Aberdeen City Council and wider project partners since 2009 to reduce grey squirrel density and distribution in the north east. Our work to date has been very successful, and we are now aiming to completely eradicate grey squirrels from the north east of Scotland. With the help of local volunteers, we are carrying out intensive survey and monitoring work across the region to detect remaining individuals and humanely dispatch them.</p> <p>Your role will help contribute towards these efforts, carrying out feeder-box surveys as part of the SSRS's North East Team's Rapid Response Monitoring. Survey results will inform our grey squirrel control on the ground. Red squirrels and pine martens may also be detected during surveys.</p>
